# Ancient Near East Resource Catalog

The *Scholar's Source* is pleased to present you with our new *Ancient Near East Resources Catalog*. Selected from academic publishers around the world, these works represent the best in scholarship and reference works available. For your convenience, this catalog is organized by subject classifications, series, and indices. Please note that, due to limited print space and the presentation of over 3000 ANE titles, we have not listed books by both series and subject. Therefore, you should peruse the series sections and consult the author indices to help locate books which may be in a series and not listed in the general section. For the same reason, not all series listings are complete; please consult our website if you do not see the title listed for which you are looking. Standing orders for all active series are readily available through Eisenbrauns.

Eisenbrauns maintains great competitive pricing on all books. Publisher price changes and fluctuations in exchange rates do affect costs and therefore, prices in this catalog are subject to change. All prices and availability should be checked by accessing our website at <http://www.eisenbrauns.com> for the latest information. Unlike some online sellers, we do not list a book as unavailable or out of print simply because it is difficult to obtain. For over thirty years we have specialized in supplying you, the scholar and student, with the tools you need at competitive prices.

Eisenbrauns' website continues to feature monthly and weekly sales at discounts up to 75% off retail. To find out about these sales, we encourage you to subscribe to our free e-mail newsletter, "Booknews from Eisenbrauns." Additionally, this newsletter includes information on important forthcoming titles, notifications of recently published books with concise descriptions and tables of contents, as well as otherwise unannounced special sale offers, typically at 45–50% off retail. You can subscribe online at <http://www.eisenbrauns.com> (Eisenbrauns does not share or sell your e-mail address with or to anyone).

To help you stay even more informed of newly announced and newly arrived books, Eisenbrauns has added RSS feeds. We currently have four feeds, Ancient News, Just Announced, New and Noteworthy, and Used Book Watch. You can subscribe to any or all of these feeds simply by visiting our website and choosing Subscribe: RSS Feeds from the dropdown menu. You will be taken to a page that gives descriptions of each feed, as well as instructions on subscribing.

### Hours:

### Prices:

Eisenbrauns sells books at competitive prices. However, publisher price increases and fluctuations in foreign exchange rates occur regularly, and these factors require that prices be subject to change without notice. Because up-to-the-moment prices on in-stock items can easily be confirmed on Eisenbrauns' website (www.eisenbrauns.com), we recommend that you check prices online before placing an order. Prices of out-of-stock products are subject to change. When two prices are listed for a title, the first is the list price and the second is our discount price. You pay the discount price.

### Ordering:

When ordering from regular listings, please state only author and title. Please use a Scholar's Source order form whenever possible. The books listed in this catalog are clothbound unless otherwise noted. When inquiring about an order, cite customer number and invoice number(s).

### Back-Orders:

Our normal policy is to back-order automatically all items not in stock at the time of your order. If you do not want an item back-ordered, please indicate this on your order. If you must have an item by a certain date, please specify that date after the title.

### Terms:

Prepayment is required via check (drawn only on a U.S. bank, in U.S. dollars), money order, or credit card. Eisenbrauns accepts MasterCard, Visa, Discover, and American Express credit cards. If you are enclosing a check or money order with your order, please include payment for postage and packaging according to the chart on the enclosed order form. Credit cards are charged only at the time of shipment (we do *not* charge credit cards in advance of shipment!).

### Delivery:

All orders over \$100 shipped to U.S. destinations and placed online via our web site are shipped free. U.S. orders less than \$100 and all orders *not* placed on our web site will be charged \$4.95 for the first book and \$1.50 for each additional book. Orders requesting premium shipping, such as UPS or FedEx Ground, must provide a street address and will incur an additional \$3.00 charge per shipment. All orders shipped outside of the U.S. will be charged \$9.00 for the first book and \$7.00 for each additional book. Delivery charges for multi-volume sets are calculated by the number of volumes in the set. Foreign delivery time is 3 to 6 weeks for books that are in stock. Remote locations may take up to 12 weeks.

### Returns:

Prior permission is required for all returns. Call, write, or email for permission. Returns received without prior permission will receive no credit and will not be returned to the original purchaser. A copy of the original invoice or original invoice number must accompany all returns. Returns received without original invoice information will be assessed a 30% restocking fee. Returns at the customer's discretion (including overstock returns from bookstores) will be assessed a restocking fee of 10%. No returns will be accepted more than one year from the original invoice date.

### Payments:

Payment in United States funds is required, except in the case of European customers, who may pay in Euros. Euro payments should be sent directly to our German bank (address below). Please include your order or invoice copy with your payment, indicating how the funds are to be applied.
